This guide outlines the information you need to know about new or improved functionality in Oracle Taleo Cloud for Midsize (Tad fu Business Edition) Release 16B1. Each section includes a brief description of the fead future, the steps you need to tad fukd fut to en4(p)3le ord fu begin using the feature, any tips orf

4. From the calendar icon, select the due date, and then click the

Recruiting, Onboarding, and Performance customers are encouraged to adopt the new Talent Center for Onboarding and continue to use the EWS for performance reviews and goal management.

Over the next few releases, the Product Management team is focused on including all employee-centric functions (like Performance and Hiring Manager tasks) into the new Talent Center.
